CHECKLIST FOR TRUCKS

Best Practice

It's recommended you save a copy of this checklist for your records. The checklist should be completed every day in the morning and evening. Record any anomalies in the comments/observations section.

	COMPLIANT	NOT COMPLIANT	NOT APPLICABLE	INSPECTION DATE	INSPECTION TIME AM	INSPECTION TIME PM
Leakage of fluids under and/or near trucks.						
<i>COMMENTS/OBSERVATIONS:</i>						
Trucks parked (maximum of 10) in blocks, as explained in the plan.						
<i>COMMENTS/OBSERVATIONS:</i>						
Trucks parked 15 meters from any building.						
<i>COMMENTS/OBSERVATIONS:</i>						
Vehicle doors and windows are closed and locked.						
<i>COMMENTS/OBSERVATIONS:</i>						
Compliant Class BC fire extinguisher accessible for each block.						
<i>COMMENTS/OBSERVATIONS:</i>						
No traces of vandalism on the trucks.						
<i>COMMENTS/OBSERVATIONS:</i>
